An interactive version of this map is available at: https://goo.gl/aBqqGR or linked by the QR code below. The interactive map shows you each parenting room with plenty of helpful photos of the buildings, parenting room doors and included facilities.

The star rating system utilized in this booklet is borrowed from the Essential Criteria for a Baby Care Room as prepared by the Australian Breastfeeding Association. The current assessments were completed by Ms Kathryn Eden as part of an undergraduate student project.

ANU Family Friendly Committee

The ANU Family Friendly Committee is a sub-committee of the ANU Gender Institute that promotes a welcoming and safe environment for children, parents and those caring for children.

The Committee advocates for:
- Open and clear information
- Removing barriers to increase inclusion
- Breastfeeding in public and accessible breastfeeding facilities
- A more child and family friendly campus
- Return to work support and flexibility
- Policies that enhance work-life balance
