

CURIE_MEITNER_ LAMARR_INDIVISIBLE

A performance by the Vienna Portrait Theater

The Research School of Physics & Engineering, The Australian National University together with the Austrian Embassy, Canberra, proudly presents *Curie_Meitner_Lamarr_indivisible* by the 'portraittheater' from Vienna, Austria. This play highlights three outstanding women in the field of science and technology, whose achievements still affect our lives today. Their triumphs and struggles are brought to life in this performance illustrating their passion and ground-breaking research.

Actress: Anita Zieher

Director: Sandra Schüddekopf
